Summary

I graduated school in Georgia, Tbilisi in 2016, however have spent several months in Private school in London and have attended Summer Schools in UK and US. Before moving to Milan, I completed the first year at Free University in Tbilisi, faculty of Visual Arts. In 2017 I started studying Product and Interior Design at NABA University in Milan, Italy and graduated in 2021. Currently I'm a first year Master's student of Visual and Experience Design at University of Europe for Applied Sciences in Germany, Potsdam.

Skills

- Adobe Indesign
- Adobe Photoshop
- Adobe Illustrator
- AutoCAD
- SketchUp
- Rhino Ceros
- 3Ds Max

Personal Projects

Cubes at the Border - Thesis project (01.2020 - 04.2021)

- This project is designed to illustrate Russian occupation of Georgian territories and expose my perspective towards this issue. I look at the occupation in the context of art, portray the challenges around it and define artistic, abstract way of finding solutions and approaches.

Online Courses

Frank Gehry - Design and Architecture 09.2020 - 10.2020
